## **Congratulatory Message**

On this auspicious occasion, Ministry of Digital Economy and Society of Thailand would like to express our sincere congratulation for the 25<sup>th</sup> Anniversary of the South Asian Telecommunication Regulators' Council (SATRC). Since 1997, SATRC has been actively promoting and facilitating the potential cooperation and development of telecommunication and ICT among South Asian countries through seminars, training and workshop. The significant outcomes and achievements from SATRC' activities over the years have contributed to the Asia Pacific region, providing great benefits for the development of standards and regulations in the field of telecommunication and ICT.

As a Member State of the APT, Thailand has recognized the SATRC's meaningful role in the Asia and Pacific region and appreciates the valuable contributions and supports towards the APT. It has always been our pleasure to continue supporting initiatives and activities of SATRC and work more closely with South Asian countries in order to overcome the digital challenges and build resilience and sustainable development of digital economy and society in this region.
